

# PET FACTS & STATS

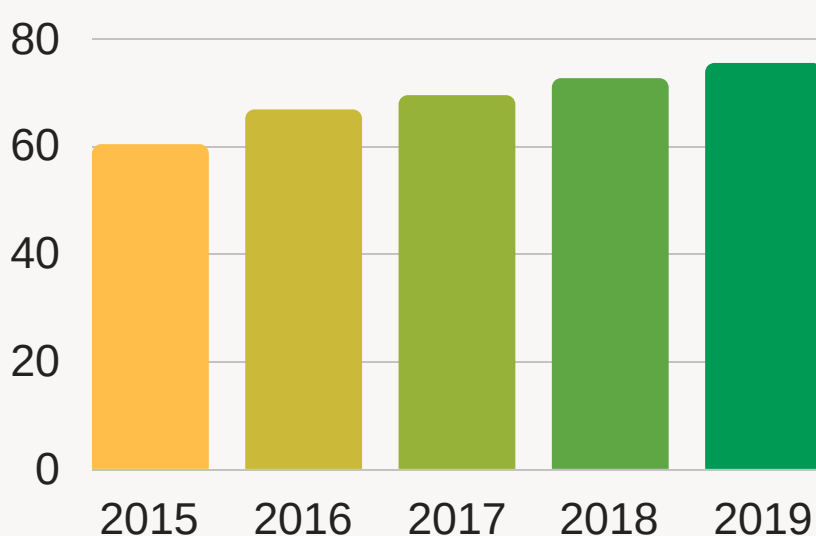

brought to you by

68% of U.S. households (about 84.6 million families) own a pet - with 60.2 million owning dogs and 47.1 million owning cats.

The total U.S. pet industry's expenditure (including food, supplies, boarding, etc.) has risen from 60.28 billion in 2015 to about 75.38 billion in 2019.

In the U.S., there are approximately 500,000 service dogs helping people.

## FUN FACTS

68% of Americans have a pet, and of those, 83% of pet owners consider them as a member of the family.

15% of American pet owners have pet fish.

Some parrots can screech as loud as an ambulance siren, and are known to chew on wood such as furniture.

Those between 18 to 34 years of age are the most likely to have a pet, but 43% of those who do not have a pet now, say they want one at some point.
